Album/mix Covers

Personal Project
2014 - 2016

I take great joy in compiling music that I love and recommending it to my friends. So much that, when I create individual mixes for them, it comes with an album/mix cover art.

I did these on sophomore year and this is what got me into practicing graphic design.

UST Brochure

OFAD Design Layout Contest 2015

In partial requirement for my Basic Computer Graphics class, I was asked to join the in-campus competition for the UST Brochure Academic Year 2016 - 2017.

Even though this was a group effort, I was the one assigned to do the layout design.

Policy Guidelines

1. Only candidates for high school graduation of the current school year are qualified to take the UST Entrance Test (USTET).
2. The following applicants must secure clearance from the UST Office of the Registrar before submitting their Application and Grades Form:
a. Passers of Philippine Educational Placement Test (PEPT) and the Non-Formal Education Accreditation and Equivalency (NFEA&E)
b. Students who are graduates of the previous school year
c. Candidates for graduation from foreign schools
d. Foreigners graduating from local schools
(Please bring original academic records, certification for passing PEPT/NFEA&E and alien certificate of registration papers or passport, when applicable)

Important Reminders

1. To avoid problems in the release of your USTET results, please forward the complete set of documents to the Office for Admissions (OFAD) personally or through any courier service.
2. Metro Manila applicants are strongly advised to deposit their non-refundable application fee in cash at any Metrobank branch, or online at http://www/metrobankdirect.com. Payments will not be accepted at the Office for Admissions (OFAD).
3. Please take note of the USTET schedules and their corresponding deadlines for the payment of the non-refundable application fee and submission of documents.
4. The following are grounds for forfeiture of the right to enrol or debarment in the succeeding semester if discovered in the current semester:
a. Misrepresentation of information entered in the Application and Grades Form / Information survey
b. Misrepresentation during examination
c. Any violation of the instructions given.
5. Visit the OFAD website and activity log in your Freshmen Admission Account every Friday for any announcement.

The Kid Inside

Haus Industriel Design
2016

The Kid Inside is a deisgn talk given by Mario “Ram” Mallari Jr., organized by UST College of Fine Arts and Design Haus Industriel Design Organization. The seminar occured last February 22, 2016 at the Beato Angelico Building, amid UST’s CFAD Week.

I was given the task to create the invitational posters. One teaser poster and one full-info poster.

Package Design

Ludy’s Peanut Butter / RAM Garbanzos

Class Requirement
2015

A redesigning of Ludy’s Sweet and Creamy Peanut Butter and RAM Garbanzos packaging for my Package Design class. The purpose of which, is to learn the basic aspects of packaging and to correct the design errors, if any, on the original packaging.

Game of Thrones House Stark Amulet

Class Requirement
2015

A package design made to house a Game of Thrones themed amulet. This is a one piece planar net case with both an exterior and interior graphic design. It is tamper-free and can be assembled by folding.

Panaderia Pantoja Jacobina

Class Requirement
2015

A package design for Panaderia Pantoja's Jacobina. The challenge of this requirement is to come up with both a primary and a secondary packaging for the Jacobina while still be able to be sold separately in the market.

Constell Creations Pizza & Co.

Class Requirement
2016

A package design for a made up pizza business with a special palabok flavor. The design of both the planar net and the graphics are complementary to each other as it is shaped uniquely to fit vice versa. The design must be incorporated not only to the pizza box but also the things that come along with it (i.e. paper cup, hot sauce, and tissue).

Renderings

Flashlights

Class Requirement
2015

In my Drawing class I was required to do a traditional render of two flashlights along with visual aids beside it. Both of these were done through Kurecolor markers and soft pastels.

Coffee Maker

Class Requirement
2015

Also done in my Drawing class, this is a rendered representation of a coffee maker with visual aids on how to use it.

Car Renders

Class Requirement
2015

This is a Drawing class requirement wherein I must chose a car from the given choices and traditionally render it. This excercise is to further develop perspective rendering skills. Kurecolor markers and soft pastels were used.

Gundam

Class Requirement
2015

This is my Drawing class' final plate. A gundam picture is given for me to copy and to render. This was finished using Kurecolor markers, soft pastels, and colored pencils.

Happy Design Project

Class Requirement
2015

This project is for my Intermediate Industrial Design class where I was tasked to come up with a product that mainly symbolizes happiness. I have designed a peach shaped toaster with pastel colors. This design's purpose was to give the consumer a light appeal while still acquiring the aspects of a good toaster.

Intuitive Design Project

Class Requirement
2015

Another project for my Intermediate Industrial Design class wherein I was assigned to chose and exiting product and modify its parts. The goal was to make it have a user friendly interaction which means more intuitive design on the product.

Bohemian Brogues Project

Class Requirement
2016

This is a major project for my Intermediate Industrial Design class where I designed a pair of shoes with the complete process: from conceptuaizing up to prototyping.

Bohemian Brogues is the name I game to my deisgn simply because it has the aesthetic appeal of nature and quirky and also brogue because that is the kind of shoe it is.
